# CENTURY EST.1945

A Light Should Shine Even When Turned Off

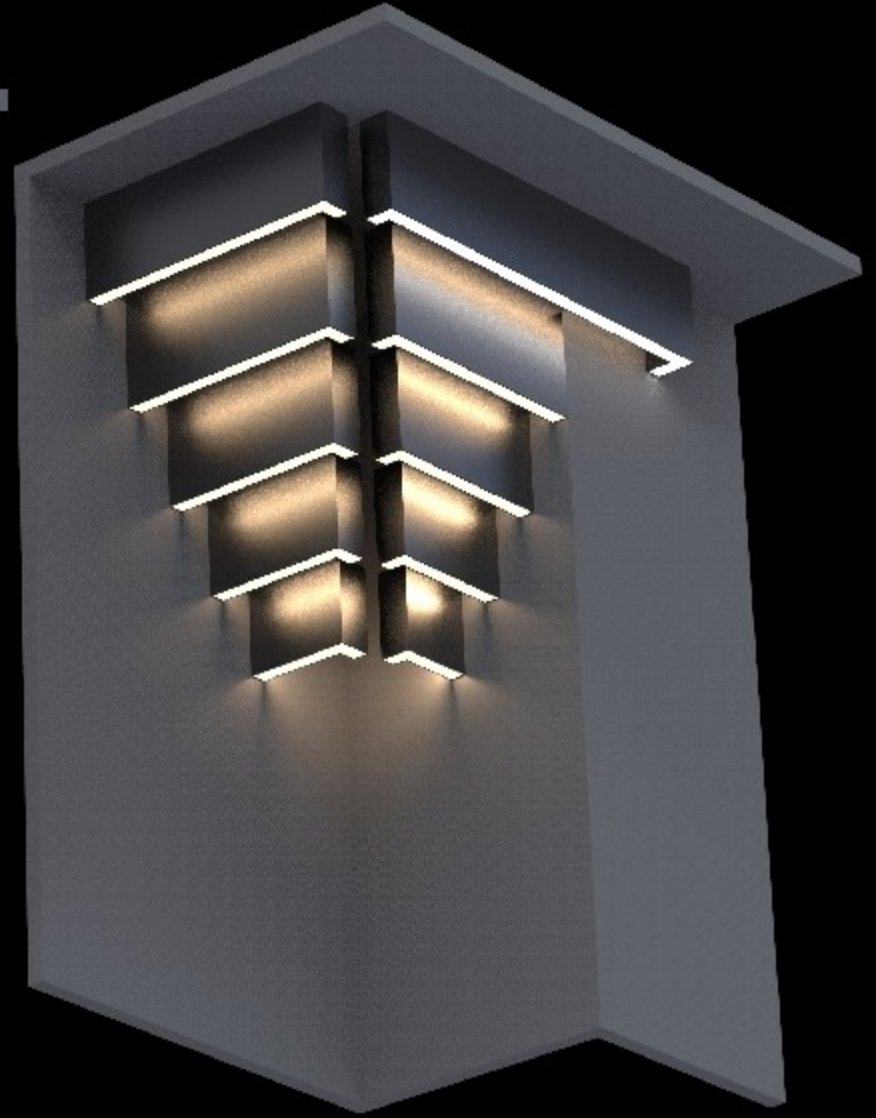

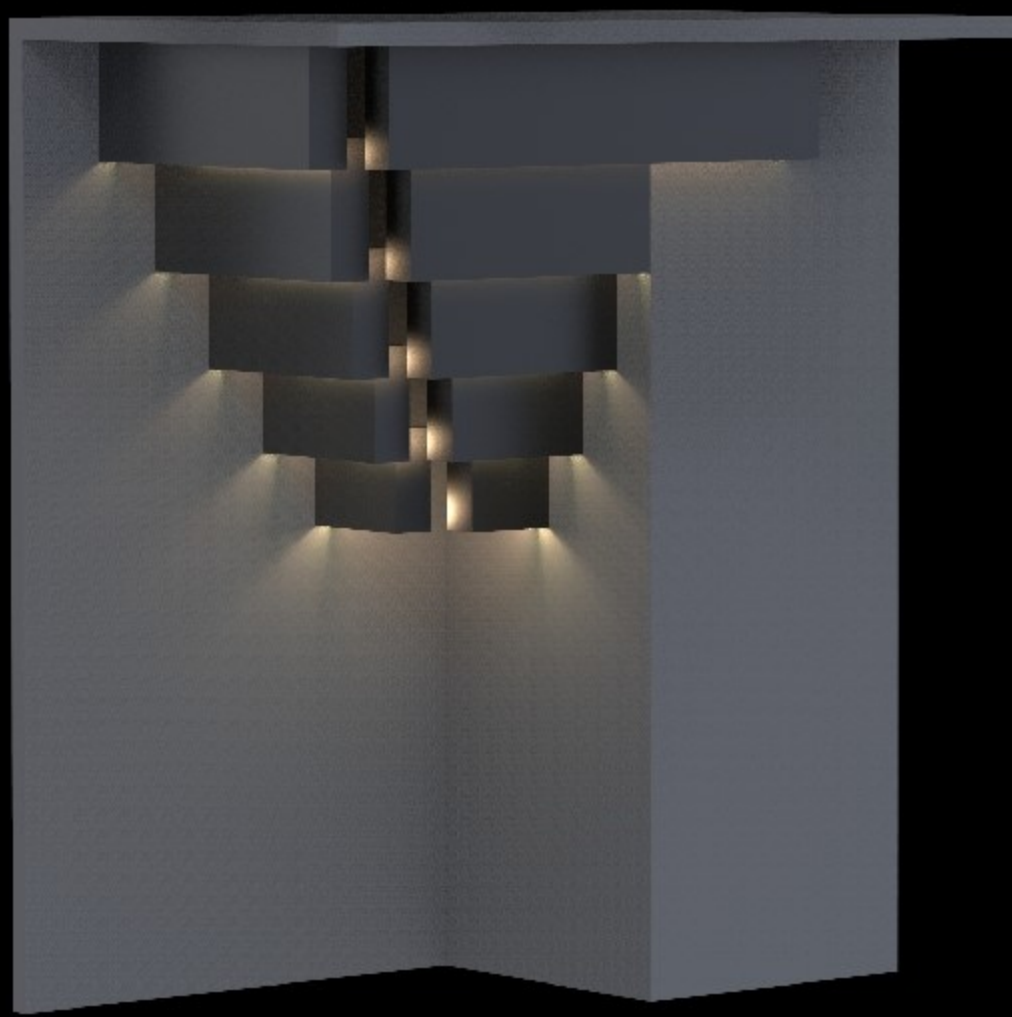

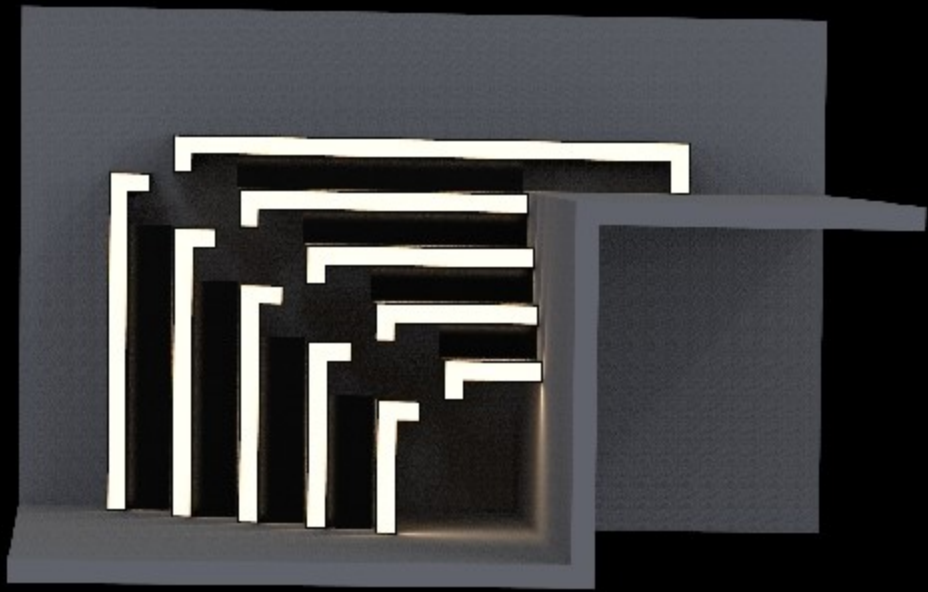

---

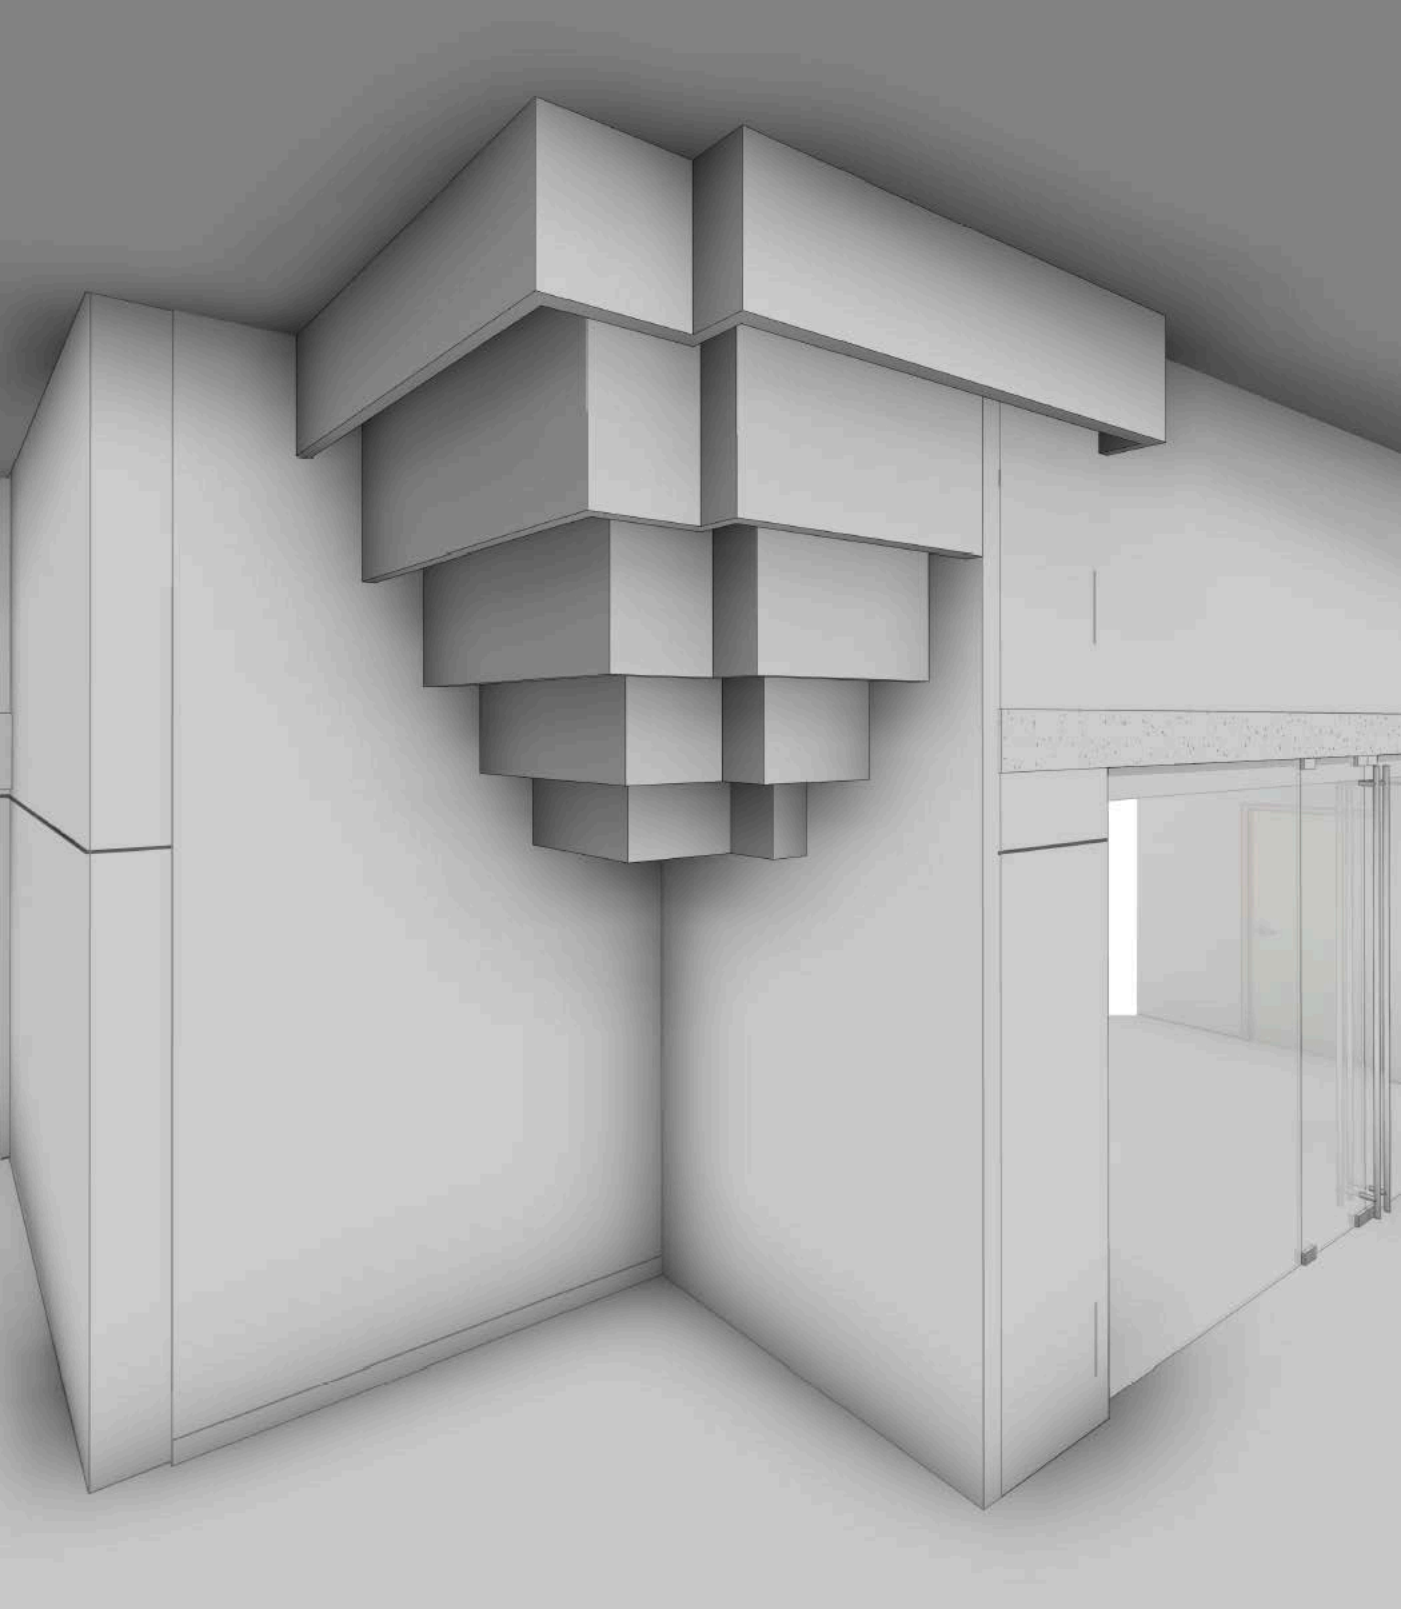

C

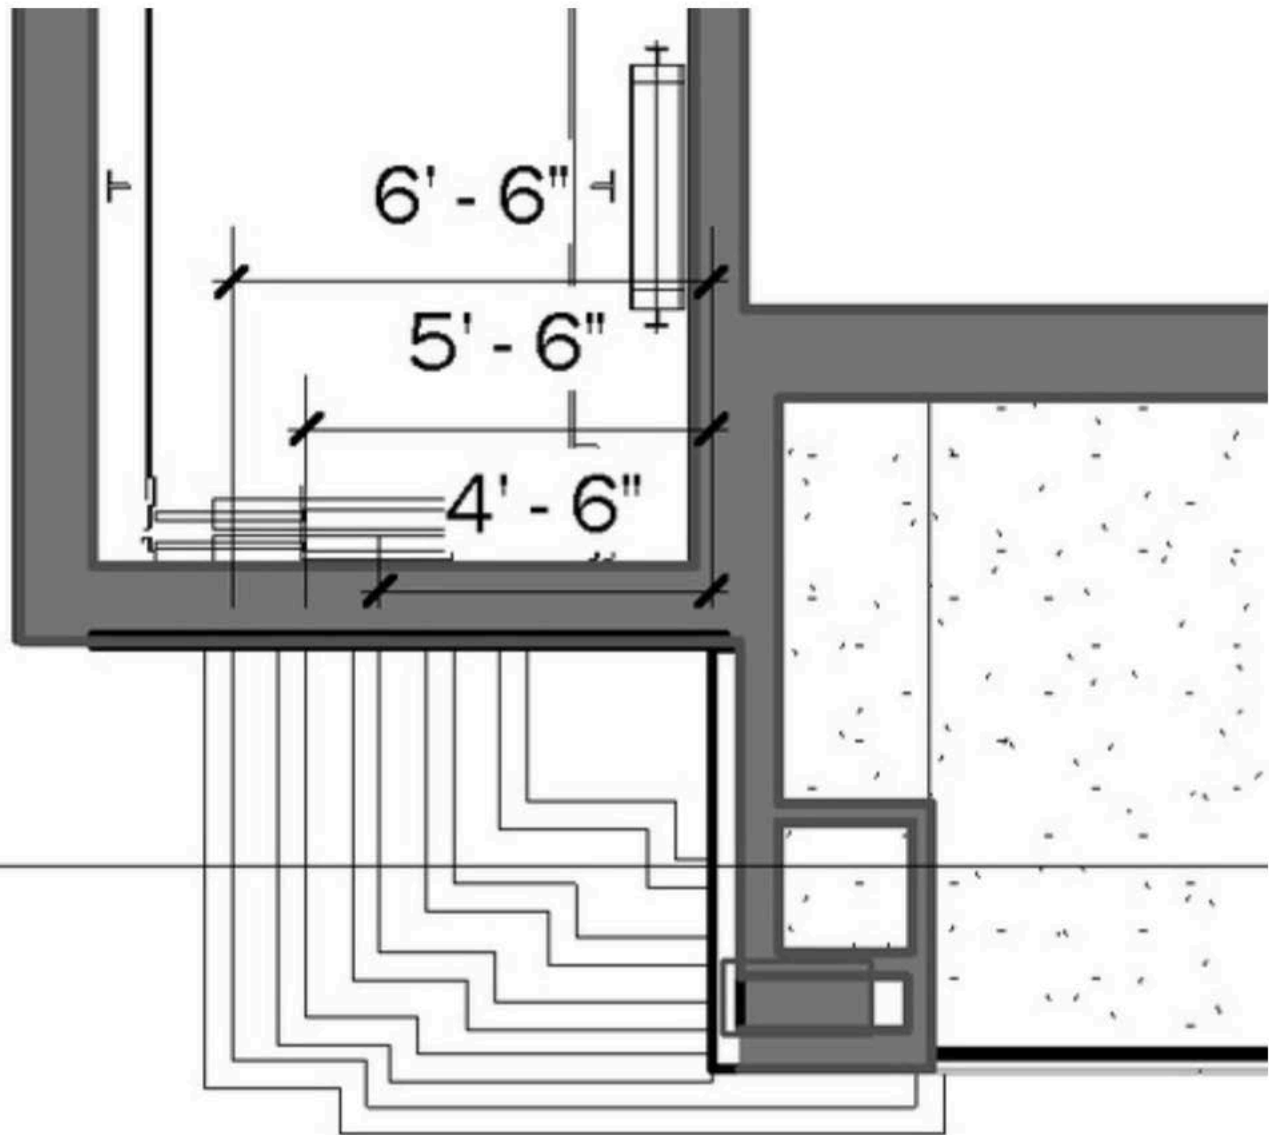

Century Industries is the leading manufacturer of custom decorative lighting, fixtures & lamps in North America. With over 74 years of lighting design and manufacturing experience servicing the contract, hospitality, multifamily, restaurant, retail and healthcare markets, we have the knowledge, passion and creative innovation to bring your ideas to light. As one of the last remaining North American domestic lighting manufacturers, we take great pride in our customer service and careful hands on approach throughout our project management and production process.

In addition to our Montreal factory, Century has over 70 years of Import and supply chain expertise with manufacturing capabilities to satisfy the budget and lead time requirements of every valued client. With these unlimited capabilities, we continue to constantly strive to create the most sophisticated client experience within the industry.
